De Beauvoir Area – Road Closures

In autumn 2015 Transport for London, in partnership with Hackney Council, consulted on a motor traffic reduction scheme in the De Beauvoir Road area on the route of Cycle Superhighway Route 1 (CS1).

The proposed closures are now being progressed and the report on the consultation can be viewed online at: <https://consultations.tfl.gov.uk/cycling/cs1-de-beauvoir>

The Works Include: (See plan overleaf for details)

Four road closures and a point of no entry at the following locations;

1. Road closure on Ardleigh Road at the junction with Culford Road
2. Road closure on Culford Road near Culford Grove.
3. Point of no entry on De Beauvoir Road at the junction with Englefield Road. Vehicles will not be permitted to exit from De Beauvoir Rd (southern section) onto Englefield Rd.
4. Road closure on Buckingham Road at the junction with De Beauvoir Road
5. Road closure on Tottenham Road at the junction with De Beauvoir Road

Construction

The works are scheduled to start during the week commencing **17 October 2016**. The roads will initially be closed using temporary materials such as plastic barriers and, weather permitting, the gates and bollards will take approximately 6 to 8 weeks to install.

Access for pedestrians will be maintained throughout the duration of the works. We apologise for any inconvenience these works may cause you and will make every effort to keep disruption to a minimum.

Review of the closures:

In response to concerns raised during the consultation we will closely monitor the impact of the changes, particularly as to how they affect safety, motor traffic and residents' perceptions.

We will review any comments received approximately 6 months after the closures have been introduced. During this period the local community will have an opportunity to understand the overall impact of the closures and provide comments.

Please submit your comments on the scheme is operating before **17 March 2017**, by sending an email titled 'CS1 De Beauvoir Area Closures' to info@hackney.gov.uk. We will give due consideration to all comments received during this period to help inform the final decision on the scheme.
